RE: SARAH LYND'S' APPOINTMENT AS CITY TREASURER/FINANCE DIRECTOR

Sarah Lynds was hired as City Deputy Treasurer and has been working collaborating with Shannon Syth since May 1, 2017. Sarah brought significant experience as a former auditor and governmental accounting experience at a management level. We have been very fortunate to have her experience combined with Shannon Syth's leadership. I hope you join me in consenting to Sarah Lynds appointment as City Treasurer/Finance Director as she will be a significant addition to our leadership team.
